High Temple Workshop Technical Sponsorship Program

The purpose of the Technical Sponsorship Program is to obtain sponsorship for the High Temple Workshop and help defray costs associated with operating and running the meeting. Expense examples include meeting room rental, audio and visual equipment (podiums, microphones, speakers, mixers, overhead screen, etc) and program printing costs. The goal of the technical sponsorship program is to help keep the High Temple Workshop a very affordable meeting to attend and participate in while providing sponsors an opportunity to gain additional visibility at the meeting.

We have opportunities for a daily break sponsor that will enable enhanced snack options during the morning and afternoon break for individual days of the Workshop. Additionally, the break sponsor will have signage with their organization's logo displayed near the food spread in the meal room for their sponsored day. Separate break sponsorships are available for Tuesday and Wednesday of the Workshop. Each break sponsor will have their organization's logo displayed on the Sponsors Page of the High Temple Website with a link to their organization's website. NETWORKING EVENT

Cost: Custom

A social & networking gathering tailored to the sponsoring organization's goals and vision. The format of this event is completely open to what you wish to create – some options include an all-attendee mixer, an early-career meet-and-greet, a first-time attendee ice breaker, or an affinity gathering (e.g. the events hosted by the Women of High Temple in previous years). Sponsorship of this event would include event signage featuring your organization's logo, as well as logo placement in the final printed program and on the High Temple website.

HIGH TEMPLE DINNER BANQUET SPONSOR

Cost: Custom

Sponsor a portion or all of the High Temple dinner banquet, held on-site at the Renaissance Mobile Riverview Plaza Hotel. Benefits include organization logo prominently displayed during the banquet, logo placement in the final printed program and on the High Temple website, recognition at the evening's awards presentation, and involvement in banquet planning and choices, if desired.
